Student’s Name: ________________________________
Student No: ________________________________
Tutor’s Name: ________________________________

No. Lessons attended: ______

Please comment on the quality of technical and artistic work presented by your student during lessons this semester. The University is interested in learning about development of the following musical skills:

- fluency of technical work
- fluency in performance of repertoire pieces
- artistic development in the repertoire
- attention to musical details and style
- sight reading

The University also wishes to know if your student regularly attends lessons and has prepared the work required to ensure that progress over the semester will be steadily maintained.
